## **EU-Russia : Components for a strategic reset**

### **A Green strategy paper**

*This paper - coordinated by MEPs Sergey Lagodinsky and Reinhard Bütikofer - was adopted on 12 May by the Group. It was endorsed without EFA participation.*

The following components for a new strategy are informed by the reality of a deepening antagonism between the EU and Russia, but are also carried by a vision for bilateral renewal, albeit following a long dry spell in mutual relations that we have to get through.

This paper outlines expectations and goals, as well as key components for EU strategy on Russia.
