## **Your Guide to EU Funding**

More EU money than ever before is earmarked for sustainable projects and the implementation of these projects requires close involvement of civil society including on local and regional level.

We prepared this Guide to EU Funding which shall help accessing EU funds. Accessing those Funds has often been problematic because of complex procedures and rules, so the knowledge from European level shall be easily made available to local and regional level actors, in particular Green local and regional councillors, stakeholders and partners.
