## Scotland's place in the UK's EU Renegotiations

As the UK Government seeks to renegotiate the UK's EU membership, SNP President **Ian Hudghton MEP** hosted a press briefing at the European Parliament in Brussels on Scotland's place in the UK's EU Renegotiations.

He was joined by SNP Europe Spokesperson **Stephen Gethins MP**.

Mr Hudghton emphasised that the Scottish National Party is a left-leaning, pro-European party which will be campaigning for the UK to stay in the EU.

An opinion poll by *YouGov* released this week shows that Scotland remains firmly in favour of remaining in Europe – while in England opinion is much more divided.

Mr. Gethins commented:

*"We believe Scotland's best interests are met by remaining in the EU. The latest polling evidence is that is very much what the people of Scotland believe too.*

*"Scotland's positive engagement with the EU is perhaps why polls continue to show that support – but there is absolutely no room for complacency.*

*"What we cannot have is Scotland being removed from the EU against its will."*
