TTIP: A Race to the Bottom

Video

Corporations on both sides of the Atlantic are using TTIP to lower standards and regulation in order to maximise their profits. 'Regulatory coherence' may sound innocent, but it could have a very real impact for citizens in Europe and the US. Greens in the European Parliament don't want our standards lowered under TTIP! Visit us at www.TTIP2014.eu and follow us on Twitter: <https://twitter.com/TTIPBeware>
